Sir,

Subject: Second Triennial Session of the All India Local Self Government Conference.

...

I have the honour to state, by the direction of the Executive Board of my Union, that as decided by the First All India Local Self Government Conference held in New Delhi in 1936, my Union proposes to hold the Second Triennial Session of the All India Local self Government Conference in Calcutta on the 27th, 28th and 29th December 1938, and to request you to kindly move your Government to issue the necessary orders as requested herein,

The general objects of the Conference are to discuss the present defects in the working of the local self governing institutions and remedies thereto, to have free discussion and interchange of views regarding vital problems and common difficulties facing local bodies, to discover their solution based on mutual co-operation and to focus public opinion on questions relating to local self government.

Questions relating to the extension of franchise the extent and agency of Government control over local bodies and the allocation of seperate heads of revenue to local bodies will also be considered by the Conference.

All municipalities and district boards are being invited to depute delegates elected by them to attend this Conference. To meet the expenses of the Conference it is proposed to charge a delegation fee of Rs. 10/ from each local body.

However, to enable local bodies in your State to defray the travelling expenses and the delegation fee from their funds, previous permission of your Government is necessary under the provisions of the Acts governing the conduct of these bodies. In order that such expenditure may not be a burden on the finances of the smaller local bodies, my Union proposes to invite only such municipalities and district boards as have an income of Rs. 50,000 and over per year to depute delegates to this Conference and I am to request you to kindly move Government to issue the necessary orders enabling these local bodies to

depute delegates elected by them by permitting them to meet the peymant of the travelling expenses and the delegation fee of their delegates from the funds of the local bodies.

It may be pointed here that your Government had by their letter No. L4283 / LB83/35/2 dated the 6th December 1935 granted these facilities for the First All India Local Self Government Conference and my Executive trusts that similar facilities will be extended to the local bodies mentioned in the list enclosed with your letter of 1935.

As local bodies have to be approached after the receipt of your reply, an earlier favourable reply is requested.

I have the honour to be,
Sir,
Your most obedient servant
V. S. Divekar
Executive Secretary.
